UMEÅ

ung stad som växer

Välkommen till en av Sveriges yngsta kommuner sett till befolkningen – medelåldern är 37,4 år för våra 107 000 invånare. Mellan björkarna växer framtidstron som hämtar sin näring ur kompetens och kreativitet.

Kunskap viktig tillgång

Umeå är Sveriges femte största universitetsstad med 26 000 studenter. Tusentals forskare och lärare, som kommer från olika delar av Sverige, men också andra länder, har sin arbetsplats här. Umeå har inte bara ett universitet, utan två. Det andra är SLU (Sveriges Lantbruksuniversitet)

Händelsernas centrum – på många sätt

Det händer mycket i Umeå. Här finns scener och arenor för alla slags kulturyttringar, idrott och nöjen. Välkommen att besöka NorrlandsOperan, Profiltatern, Umeå Arena, eller någon annan av Umeås många mötesplatser.

Umeå ligger nära

SAS och Malmö Aviation flyger dagligen från Arlanda respektive Bromma till Umeå. Flygplatsen i Umeå är en av landets mest centralt belägna, bara 4 km från centrum. Dessutom passerar två Europavägar regionen (E4 och E12).

► Mer information om Umeå kommun hittar du på www.umea.se
